### Mission

Seattle Parks and Recreation will work with all citizens to be good stewards of our environment, and to provide safe and welcoming opportunities to play, learn, contemplate, and build community.

### E-Brochures are available!

In keeping with our environmental stewardship policies, we're trying to reduce the amount of paper we use. We invite you to visit our web site at [www.seattle.gov/parks](http://www.seattle.gov/parks). You can find this brochure information online.

### New Searchable Online Brochure Format!

Now you can search for just the classes you're looking for online! Visit [www2.seattle.gov/parks/brochure](http://www2.seattle.gov/parks/brochure) and you can search our classes by keyword. If you prefer to view a pdf version of our brochure (requires Adobe Reader), please visit [www.seattle.gov/parks/Environment/camplong.htm](http://www.seattle.gov/parks/Environment/camplong.htm).

# Notes from the Head Squirrel

We're celebrating 65 years of Camp Long History. June 22 or 23 kids will be invited to participate in Camp Long Nature Days where we will learn about Judge Long and take advantage of Camp Long's special facilities and nature activities. During the Arts-in-Nature Festival August 26 and 27, we will be featuring the art of Clark Schurman, first director of Camp Long. Come help us celebrate!

Thanks to everyone who contributed to our fundraiser. We were able to raise \$2000. If you still want to contribute, make your check payable to Camp Long Advisory Council. These funds help pay for supplies and naturalist training.

Summer is the time for city naturalists to teach out at the Community Center Day Camps. This summer's theme is "Mapping Your Place". Day campers will be studying their communities, looking for the green places around them and understand how to steward them.

Audubon is coming to Seward Park. They are fund-raising for operating funds for the first three years of the center. Please give at <http://wa.audubon.org/>. Meanwhile, we continue to offer public programs through our Seward Park Adventures.

We hope you have a wonderful, adventuresome summer in the outdoors.

## Environmental Learning Center Advisory Council Opportunity

### Do you want to volunteer in your community?

Camp Long/Seward Parks need folks from the SW or SE Seattle communities who want to serve as advisory council members to Camp Long and Seward Park Environmental Learning Centers. We welcome people of all cultural backgrounds, seniors, and youth.

The council works with Parks Department staff to identify programs, projects, and fundraisers to benefit the Environmental Learning Center's mission of stewardship and environmental education. We meet once a month from 7 – 9 p.m.

For more information, please contact Sheila Brown, Education Program Supervisor at (206) 684-7415.

## FREE Fish-Friendly

### Car Wash Kit Available

Car washes can be terrific fundraisers and a great way to build community. But, did you know that if a car wash is done incorrectly it can hurt local fish and other wildlife? The soapy water, dirt, and phosphates drain into storm drains and ditches that lead straight to creeks and into Puget Sound. You can prevent this harm to wildlife by using the fish-friendly car wash kit.

To borrow the Kit for your next community car wash fundraiser or to find out more about it call 206-684-7434.

**Want to Provide a Program?** If you have an idea for a program you would like to teach or would like to see offered, please contact us. We are especially interested in finding ways to connect culture and environmental topics. We will work with instructors and groups to propose or create programs. Reimbursement for time and materials would come from fees. Programs must fit in to our mission and goals as an Environmental Learning Center. For more information, call Sheila Brown at 206-684-7415.

# Longfellow Creek

## Longfellow Creek Is Longing For You!

# Living Green

## Environmental Film Nights

The Northwest Environmental Education Council and Camp Long Advisory Council are happy to present a new partnership to bring you monthly Environmental Film Nights. Join us on the last Thursday of every month for a screening of a different sustainability or environmental film.

**Fee: FREE, donations are also accepted.**

### "Chief Seattle"

**Thu, July 27**

**7 – 9 p.m.**

A profile of the legendary leader who welcomed the Americans to settle on the land that now bears his name. The film recounts the known facts of Seattle's life, casts a light on the controversy over the famous speech attributed to him, and challenges viewers to reflect on our country and the history of its treatment of native peoples.

### "McLibel"

**Thu, Aug 24**

**7 – 9 p.m.**

McLibel The story of two ordinary people who humbled McDonald's in the biggest corporate PR disaster in history. McDonald's loved using the UK libel laws to suppress criticism and sued gardener Helen Steel and postman Dave Morris. In the longest trial in English history, the "McLibel Two" represented themselves against McDonalds £10 million legal team. Seven years later the battle finally ended at the European Court of Human Rights and took all by surprise.

### "Oil On Ice"

**Thu, Sep 28**

**7 – 9 p.m.**

A vivid, compelling and comprehensive documentary connecting the fate of the Arctic National Wildlife Refuge to decisions America makes about energy policy, transportation choices, and other seemingly unrelated matters. Caught in the balance are the culture and livelihood of the Gwich'in people and the migratory wildlife in this fragile ecosystem.

### A Midsummer Night's Dream

A perennial favorite tale of lovers and fairies. This is undoubtedly some of Shakespeare's finest work.

Fri, Aug 4 8 – 10 p.m.

Sat, Aug 5 3 – 5 p.m.

### Henry the Sixth

The continuing saga of the battle for the English crown has all three plays condensed in Henry VI.

Sat, Aug 5 7:30 – 10:30 p.m.

Sun, Aug 6 3 – 5 p.m.

## Arts~in~Nature Festival

Sat. August 26 (from 11 a.m.-9 p.m.) and Sun. Aug. 27th (from 10 a.m.-6 p.m.). Produced by the Nature Consortium

Locally renowned dancers, musicians and artists come together to perform and celebrate Art in Nature. This year, the multidisciplinary event is offered simultaneously on two sites, **Camp Long** and the newly renovated **Youngstown Cultural Arts Center** (4408 Delridge Way SW). Camp Long will host the ambient & acoustic side of the event and Youngstown will provide a space for amplified performances, visual art displays and open artist studios.

To celebrate the 65 Anniversary of Camp Long, paintings by Clark Schurman will be displayed in the Lodge. Clark Schurman, a Scout leader and former Chief Guide at Mount Rainier, designed Camp Long and its climbing structures and was Camp Director until his death in 1955. Schurman Rock, named for its creator, is believed to be the world's first designed climbing rock. Youth art - inspired by Schurman Rock, will be displayed and there will be climbing demos.

Art classes using Schurman Rock as our subject will be offered.

Admission is by donation with \$5.00 per person, \$10.00 per family suggested.

**Contact the Nature Consortium at (206) 923-0853 or [www.naturec.org/festival](http://www.naturec.org/festival)**

## Seward Park Environmental & Audubon Center

Seattle Parks & Recreation and Audubon Washington are excited about recent progress toward turning the landmark building at the entrance to Seward Park into an environmental educational center.

Gail Gatton, a neighborhood resident and regular park user, has recently been hired as the Center director. The Center Board, composed of community leaders with strong ties to Seward Park, is in the midst of a community campaign to obtain funding for the Center. To date, over \$2 million has been raised from a broad spectrum of donors, including public funds, foundations, corporations, and many individuals. The remaining goal of raising nearly another \$1 million must be met by October 2006.

In the meantime, we've worked with local middle and high school students on a pilot project to create a field guide of Seward Park during the recent spring semester. The resulting field guide includes chapters on the park's human and cultural history, habitats, and wildlife, featuring beautiful student artwork. Copies of the field guide will be provided to the participating schools, as well as be available for Center programs.

For more information about the Center, see [http://wa.audubon.org/education\\_Centers\\_SewardPark.html](http://wa.audubon.org/education_Centers_SewardPark.html). If you would like to support the community campaign, please contact Gail Gatton at (206) 526-2444 ext 101 or [ggatton@audubon.org](mailto:ggatton@audubon.org).

## Policies and Procedures

### You can make a difference!

The Advisory Council is a group of citizens dedicated to the enrichment of our community. Its support enables us to offer a variety of programs and services for people of all ages, abilities and backgrounds.

Our Advisory Council is always looking for new members. Meetings are held every month to talk about programs, policies, and financial issues. Citizen direction and participation are vital to our continued success. Advisory Council members also create scholarship opportunities through grant writing and other fundraising activities. If you'd like to get involved, please contact Sheila Brown at (206) 684-7415.

Most classes, workshops, and special events are funded through the Advisory Council rather than through Seattle Parks and Recreation. Revenues generated through program fees offset program costs to make Advisory Council activities self-sustaining. We rely heavily on program participation, donations, and contributions to buy, repair, maintain, and upgrade program equipment and supplies.

### Suggestions

We welcome your ideas. If you want to suggest a new class, or if you have an idea you think would benefit us or our community in general, please let us know.

### Interested in teaching?

We're always looking for top quality instructors to offer unique courses. We choose class offerings based on participants' interest and space availability. If you have a special talent, skill, or knowledge you would like to share with others in a class or workshop format, please talk to a member of our staff.

### Anti-discrimination

As a matter of policy, law, and commitment, Seattle Parks and Recreation does not discriminate on the basis of race, color, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin, or the presence of any sensory, mental or physical handicap.

# Policies and Procedures

## Accommodation for people with disabilities

We will make reasonable accommodation, upon request, for people with disabilities. For sign language interpretation, auxiliary aids or other accommodation, please call 206-615-0140 or TDD 206-684-4950. Please allow 10 working days' advance notice. If a class or activity is scheduled in an area not accessible for wheelchairs, we will make every effort to help you find a similar program in an accessible location.

## Rentals

For information about room rentals, please view our facility rental brochure. (<http://www.seattle.gov/parks/reservations/facrentalguide.htm>)

## More information

For information about Parks and Recreation facilities, recreation programs, picnic shelters, and scheduling, please visit our web site at [www.seattle.gov/parks](http://www.seattle.gov/parks), or call our Public Information line, 206-684-4075. For more information about programs for senior adults, please call 206-684-4951, and for information about programs for special populations, please call 206-684-4950.

## Payment

You can pay for classes and other activities by mail, in person during regular facility hours, or by telephone with a credit card. We accept Visa, MasterCard and American Express. Please make checks and money orders out to our Advisory Council. Please note: Payment is due when you register, unless we have indicated otherwise. If your check is returned for insufficient funds, your registration will be cancelled until you pay the amount due, plus a \$20 fee. (Credit card or cash only.) We are working on a system that will make online registration available.

## Fees and charges

Camp Long's Advisory Council and Seward Park's Advisory Council provide the programs and activities listed in this brochure under an agreement with Seattle Parks and Recreation. Fees collected by the Advisory Councils are used to offset the cost of providing the programs. Program charges include user fees of \$1 per class, \$1.50 per workshop, and \$1.30 per participant in each athletic game, paid to Seattle Parks and Recreation to defray operating costs. People 60 and older are not charged these user fees unless there is a stated senior fee for a particular class. Class and program fees include Washington State sales tax where applicable.

## Refunds

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- Anyone who registers for a class, camp, special event or program that is cancelled for any reason by Parks and Recreation or the Advisory Council will receive a full refund.
- Anyone who registers for a day camp, trip, overnight camp, special event, or facility rental, and who requests a refund 14 days or more before its start (or before the second session of a class), may receive a refund minus a service charge.
- Anyone who registers for a day camp, trip, overnight camp, special event, or facility rental, and who withdraws from the activity fewer than 14 days before its start (or after the second session of a class), will receive no refund.
- Please read the entire policy, #7.16, for specific information.

## Scholarships

Our Advisory Council wants to ensure that our activities, classes and sports are available to everyone, regardless of their ability to pay. The Council may choose to offer scholarships for qualified applicants. To apply for a scholarship, please talk to a member of our staff.

## Waiting lists

We will create waiting lists for all filled classes. Please be sure to sign up if you are interested in a class that is full, because class openings often become available. If demand is high, we will try to form another class. Please contact us for space availability.

## Class cancellations

To cover the cost of providing a program, we need a specific number of participants. If too few people sign up for a class, we must cancel it. We'll notify you (at the latest) one or two days before the class start date. When possible, we will postpone a cancelled class for a week to allow for more enrollments; if the class minimum is not met by then, we will have to cancel it.

## Confirmations

Sorry, we cannot confirm class registration by mail or phone, but we will notify you by phone if your class is postponed or cancelled.
